

Tokyo International Flower & Garden Show 2010

In Tachikawa syowa memorial park Japan

17 April to 25 April

We recently showcased our cut greens and flowers at Tokyo International Flower & Garden Show in Japan as part of the Wildflowers Australia stand. Our Japanese sales Representative Tomomi Fukuda (a qualified floral designer) helped build the stand together with Richard Go (World renowned floral designer from Australia)

Flower Show Entrance

We had a great deal of space to display Australian products and created a walk through display. Using bamboo posts to make an archway allowed everyone to walk through viewing our products from various angles.

Product in the display: Bamboo, Willow, Cricket ball, Banksia sticks, Leucadendron,

King protea, Dryandra quercifolia, Gymea leaves, Eucalyptus, Banksia, Steel grass, Sea Star fern, Umbrella fern, Flexi grass, Bribie pine, Koala fern.
