

## International Horticulture Goyang Korea 2009

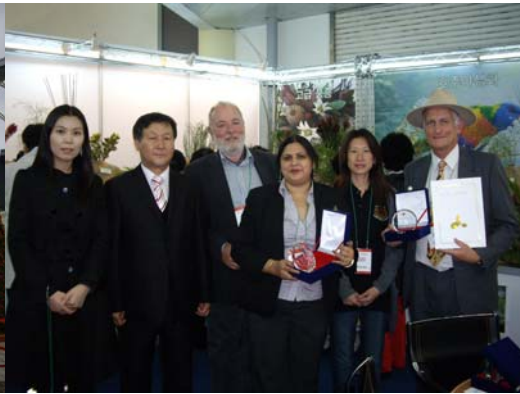

23April~10May

In Goyang Korea  
At Australia booth

We had been to Goyang International flower show in April under WFA.  
Our flower show Australia booth was always busy with people who interested in  
Australia wild flowers.

This is entrance of flower show.

Flower show organizer and Australian growers.

Can you recognize which man is Korean and Japanese? Answer: both Korean

We used many wildflowers and display. We displayed products individually so  
It was easy to look at.
